Group Overview

To become one of the best one-stop service providers universally by ensuring remarkable services to our valued clients.

To become one of the best one-stop service providers universally by ensuring remarkable services to our valued clients. TAD Group of the company is a Bangladeshi company that has a portfolio with several businesses, all related to the local business field and focused on international markets.

Texweave was the first company of the group to be born but, with new differentiated businesses being launched, it seemed obvious that it was necessary to unify everything, and so a new holding company namely TAD Group was born and it became the parent of TEXWEAVE, TAD SOURCING LIMITED, TAD LOGISTIC LIMITED, TAD ENGINEERING, TAD AUTOS, TAD AVIATION LIMITED, MAYC'S GARMENTS LIMITED, REPLICA CREATIONS LIMITED, KLOTHEN and KOI THE BANGLADESH LIMITED.

TAD Group is one of the fastest-growing infrastructure enterprises in the country with a rich and diverse experience spanning three decades. With our vibrant portfolio of projects, TAD Group is uniquely placed to build state-of-the-art projects in sectors that are of critical importance in the process of development. Using the Public-Private Partnership model, the Group has successfully leveraged its core strengths to implement several iconic infrastructure projects in Bangladesh.

KOI The is currently operational in 13 Countries including Thailand, Singapore, USA, UAE, China and other ASEAN Region. Bangladesh is the 14th Country for KOI The to launch as the Joint Venture Company between TAD Sourcing Limited and KOI Café Group.

The KOI brand culture focuses on the selection of raw materials, the process of making tea, the precise taste of the product and warm service. Carefully selected each piece of tea one by one because at KOI we firmly believe that only tea brewed from fresh tea leaves can completely conquer all discerning taste buds.

Pearls (The Bubbles), in order to maintain the transparency and fullness of each golden pearl, insist that the pearls are made of natural raw materials and use the alternating action of different water temperatures to ensure that each pearl can bounce into the mouth happily.

CORPORATE SOCIAL RESPONSIBILITY

Socially Responsible

"As a responsible corporate citizen, TAD Group, besides being actively engaged in infrastructure development, is fully committed to the larger goal of enhancing the standard of living of the people, particularly that of the marginalized.

The Group believes that only through this will the larger objective of fully developing and tapping the nation's true potential be achieved. Accordingly, the corporate policies of the Group are driven by a set of seven carefully drafted core values. 'Respect For Individual' is one such core value of the Group. In line with this, the Group as a whole ensures that it adheres to all statutory regulations pertaining to Occupational Health, Safety and Environment along with gender and age specific issues of employment. Specifically in the context of Child Labour, the Group abides by the ILO guidelines and the Bangladesh legislation which also ratifies this by not employing children and minors either directly in its establishments or through its contractors and vendors."
